EDITOR'S LETTER

Phew! I'm actually feeling pretty exhausted, and not just because we've just finished putting together the final issue of the year. I mean every day the news seems to lurch from one crisis to the next, doesn't it? Remember the god old days when it was just Greece that was tanking? Anyway, allow us to brighten your winter nights with our final selection of the year. See, a quick look at them and things are perking up already! All the best for 2017!

FRENCH LETTER

Dear *Mayfair*,
My brother-in-law Max has been married to my older sister for ten years now, so I was a bit surprised to see a really cute little brunette walk into his kitchen when I went round to stay at their house last weekend. Max is loaded and lives in the countryside in one of those massive barn conversions. The brunette was the newest addition to their household, a live-in au pair from France who'd been brought over to look after their two kids.

"Meet Marie," Max said. "She'd usually be looking after the kids tonight, but they've both gone over to stay with friends." Marie came over to me and shook my hand. Her English wasn't great, but she explained to us that she was just about to go jogging and would be back in about an hour or so. She had a great body and looked fantastic in her little white cotton shorts and Lycra sports boob tube that hugged her pert breasts. I couldn't help but stare at her perfectly firm little arse as she walked out of the door.

"Keep your eyes off her!" Max said. "She's only 22. We're supposed to be looking after her; she's only been in England a few weeks." I told him that I'd behave, but there was no way I could be blamed for what happened later.

Max and I were sitting in his living room having a drink when the phone rang. It was my sister who'd been out with a friend and needed a lift home from the station. I told him I'd be fine on my own while he popped out to pick her up; I'd just sit and watch telly for a bit. No sooner had he left than the living room door opened. Marie had come back from her run a bit earlier and was wearing a white towelling dressing gown. She'd obviously just stepped out of the shower.

"Has Max gone out?" she asked. I nodded. "So we are alone?" she said in her cute accent. I nodded again. She came and sat down next to me, her dressing gown falling open slightly so that I could just about see the edge of one of her succulent-looking nipples. To tell you the truth I didn't really know what to say or do. She looked straight at me with her huge brown eyes. "Do you like French girls?" she asked. I was dumbfounded. Here was one of the most beautiful girls I had ever met and my brain just refused to function properly. "I think you do," she said. She pulled open her dressing gown to reveal her fantastic firm breasts.

"Touch them," she said. I put out my hand and lightly touched her dark nipples, but she grabbed my head and pulled my face into her chest, making me suck on them instead. I felt her large, puffy nipples go hard in my mouth as Marie held tight onto the back of my head to make sure I gave them my full attention.

It wasn't enough. I love using my mouth and wanted to taste her pussy. I began to kiss down her stomach, pulling open her dressing gown and pushing apart her slender, tanned legs. She was wearing a little pair of white cotton panties and as she held her legs apart I could see a small damp patch forming in the gusset of her knickers. Again she clasped my head, pulling my mouth into her knicker-clad fanny. I could smell her juices and longed to slip my tongue inside her. I pulled down her knickers revealing her tidy hairy mound. Her pink pussy lips were clearly visible amongst her dark pubes and I began to lick around her hole, occasionally dipping my tongue right into her slit. She tasted incredible and her sticky juices covered my mouth and ran into her pubic hair. She clasped her legs around my head as I focused on her clit, teasing it with the tip of my tongue as she ground her hairy pussy onto my mouth. Then she began to shudder and moan, crying out loudly in French as

PETRA-GLAD!

Dear *Mayfair*,
The appearance of the incredible Ree Petra in your magazine has been one of the highlights of 2016 for me, so I was chuffed you got her in again for 51.12 – and what a blistering set of pictures it was! Right from the very first pose, where she looks more like some sort of goddess, standing there in her see-through body, her stupendous tits proudly displayed to their full advantage, daring us not to worship her! Well, I'm afraid that's all I could do – especially by the time she'd uncovered that captivating bald pussy and given us a thrilling eyeful of all her charms! Absolutely stunning stuff – but then I suppose that's what we've all come to expect from *Mayfair*!

TAKING THE FLICK!

Dear *Mayfair*,
In your last issue (51.12) you describe covergirl Felicity as a newbie, but unless I'm very much mistaken, did she not appear in Mayfair 50.06, which came out in June 2015? Either that or she looks very much like her – and has the same name and tattoo! I mean, it was nice to see her again (and, it has to be said, looking even hotter than her first appearance!) but what's going on?
Roger, Kettering.

Ah, guilty as charged, I'm afraid – well spotted, Roger! Yes, many apologies for that – it wasn't a deliberate attempt to present someone who'd appeared before as a newcomer to try and pull the wool over your eyes – we just failed to check the records properly, and, well, ahem, sorry again! Sometimes spending your entire working day surrounded by beautiful women taking their clothes off can addle the brain a bit – at least that's our excuse and we're sticking to it! – Ed.

she came, her whole body juddering with pleasure. After she'd come I kept licking slowly at her vagina, enjoying the sweet, sweet taste of her pussy.

"It is your turn now," she said, pulling down my jeans and boxers to reveal my rock-hard cock. She slowly licked up my length, sucking softly and tantalisingly on its tip before plunging her mouth right down on me. I felt ready to explode, but somehow managed to hold back. I wanted to come inside her pussy. Marie had other ideas though. She got onto her knees and leant over the sofa showing me her perfect little bum. "Do not touch," she said. Still facing away from me she spread her legs so I could not only see her swollen pussy, but also her tight little arsehole. She reached round and began to slip her fingers in and out of her snatch. As if I wasn't in enough heaven she then began to rub her pussy juices over her tight arsehole.

"Fuck me!" she cried. I knelt behind her and she grabbed my dick, rubbing its tip over the sopping entrance to her vagina before placing it at the entrance to her arsehole. She rocked back slowly and her tight hole gradually opened, letting my cock glide in. I went in slowly at first, then deeper with each thrust, Marie grinding her bum onto me as she squealed in delight. I could feel I was about to come and began to fuck faster and deeper, holding her right into me as I came deep inside her cute little bum. It was the horniest fuck I've ever had!

As we both began to relax we heard a car in the driveway. Max and my sister were back. We dashed upstairs and I threw my clothes back on, coming back down to greet my sister as if absolutely nothing had happened.

"Are you OK?" she asked. "You look a little flushed." "Never felt better," I replied. "It must be this country air. I'll have to come and stay more often!"
Colin, Guildford.

ISAAC 'AS-IT-OFF!

Dear *Mayfair*,
I work for a digital marketing company and I've been there for a couple of years now, since leaving school. Most of the people I work with are around my age (with a few exceptions), so we tend to have a good laugh, in one way or another – practical jokes being the main one!

A few months ago, I came back to my desk from lunch, to find a note in the middle of my keyboard, telling me to look in my desk drawer. Fearing something would spray/jump out at me as soon as I opened it, I was cautious, opening it a crack before pulling it ajar some more. Nothing scary or disgusting had been put in my drawer. No, when I eventually felt brave enough to open it completely, I found a pair of silky, blue knickers lying across the top of my paperwork.

I was almost tempted to ask loudly who was playing silly buggers, when a thought crossed my mind: what if they were actually from someone who fancied me, and not a wind-up? I glanced around the room, watching carefully to see if anyone would give themselves away, but no one did. I settled my gaze on Vron, a sexy redhead who I'd come on to at the work's party, but I'd been knocked back unceremoniously. Nah, although I'd have loved them to be hers, I doubted very much that she'd be interested in me. Shutting my drawer, I tried to forget about them. No fucking chance. I couldn't help wondering who they belonged to.

About thirty minutes later, my phone rang and I heard a female voice at the other end. "Did you like my present, Isaac?" the voice breathed, sexily.

"Who is this?" I asked, still trying to

Now and then we get a letter praising the attributes of redheads, but it's not often you see a head that's quite as red as the one that's stuck on the top of *Mayfair* debutante Roxi's luscious bod!

"Well, it's certainly guarantees me a second glance when guys see me in the street!" she explains. "There's nothing better than the feeling you get when you just know a horny guy is checking you out – especially when his girlfriend's with him but he just can't help himself!"

Hmm, we'll take your word on that – but we're in no doubt that your first *Mayfair* appearance will do a lot more than just turn our readers' heads.

figure out if this was a joke or not.

"Interested? Thought you might be." I heard a giggle. "Well, if you want to see what's inside my knickers, meet me in the storeroom on the second floor at 3pm sharp…"

And with that, the mystery woman had hung up. My mind raced. I hadn't recognized the voice. She had sounded pretty horny and the whole episode had turned me on enormously, but I was still suspicious that it was all a big jape. Still, fortune favours the brave, and all that, so I kept my eye on the clock and watched as the minutes ticked down towards 3:00.

At 2:55, I shoved the underwear in my pocket and headed in the direction of the toilets in the corridor, vigilant for any sniggers or giveaways. All my colleagues had their head down in their work and nobody showed any signs of knowing. They were either really good actors, or knew nothing about my present.

Once out of the office, I quickly moved down past the toilets and towards the lifts, hoping nobody would glance up and spot me. They didn't. Nor was anybody about on the second floor, much to my relief. My stomach was churning, completely unsure of what I was about to encounter inside that storeroom.

I opened the door to the large cupboard, expecting someone to jump out, but it was dark and silent. I turned the light on and entered, shutting the door behind me. I figured that if this was a joke, the prankster would reveal themselves as soon as they heard it closed. Instead, I was surprised to see our company secretary, Jayne, appear from behind the shelves of paper and files.

I'd never thought of Jayne in that way – she was in her late thirties, with glasses and brown hair that she always wore in a bun – but looking at her at that moment, with a naughty glint in her eye, I found her extremely attractive, in a MILFy kind of way.

"Surprised?" she smiled, walking towards me before reaching past and locking the door. "I thought you might be. You will fuck me though…?" This wasn't said so much as a question, than as a request, and as she spoke, she moved closer and closer, until her body was pressed up against mine.

Dumbfounded, I merely nodded, but that was enough for Jayne and she pounced! Pushing me back up against the door, she kissed me passionately, her tongue forcing its way into my mouth and exploring desperately. I've always liked a woman in control and this turned me on so much. I grabbed her arse through her smart skirt, my fingers cupping her cheeks as she moaned quietly.

Before I knew it, her hands were deftly unzipping my trousers and pulling my stiff cock out, her hands cold against the warmth of my hard-on. This, too, made me horny and as I couldn't be bothered to undo her blouse buttons, I pulled the garment up to reveal her big boobs, bursting out of a tiny lacy bra. Pulling the cups down, I sucked on her nipples in turn, as she began wanking my dick, her soft hands working on my full length, from my base to my bell-end.

I gasped as she got into a perfect rhythm and, when my prick was throbbing, she pulled away and sunk down to her knees. As she took my cock in her mouth and started sucking my tip, I remember thinking, 'thank you, God'!

Jayne, it turned out, was an expert cocksucker. In fact, she gave me the blowie of my life, from sucking my balls to gently nibbling my helmet, that woman did things that I had only dreamed of up to that point! I had to concentrate not to come too quickly – I could easily have blown my load within the first minute!

After a few minutes, Jayne stood up and, hiking her skirt up to reveal that she was wearing hold-up stockings and no knickers, bent over against the shelf unit and told me to fuck her.

I wasted no time and, positioning myself behind her, I felt her dripping pussy with my hand – just to make sure she was wet enough – before feeding my dick into her hole and plunging my shaft deep inside her.

Jayne began panting heavily, pushing back against me as I sank into her, screwing her hard and deep from the get go. I held onto her shoulders for leverage and ploughed in and out as hard as I could, but when she started moaning louder, I slapped one hand over her mouth. The danger of getting caught may have been a huge turn-on, but that didn't mean I actually wanted to get caught!

As I slammed into Jayne's pussy, I felt the muscles begin to contract and I knew she was coming. The tight gripping sensation around my prick was too much for me and I felt myself climax, too – both of us releasing the pent up pressure at the same time.

Jayne and I have had a few little encounters in the storeroom at various times, however it's not a regular thing. And, as management frowns upon intimate relationships with colleagues – and she's married – it will never become anything more than that. However, it's good to get a bit of stress-relief in the office – especially if I'm having a particularly shit day!

Isaac, Ellesmere Port.

SOFT FOCUS…

Dear *Mayfair*,

I just wanted to drop you a line to say what a lovely volume your '*Girls of Mayfair*' special edition is!

All the girls featured pose in quite modest poses, but what a symphony of triumphant feminine curves there are on display! What could be sweeter than a lovely lady proudly bearing her bosom to delight the world? It's a precious gift, which the girls in this volume bestow so freely!

I've often thought how nice it would be if it were possible to do special editions devoted to particular girls (just imagine all the photos of Dani Maye gathered together under one cover, for example!) – each girl her own poem of tender feminine grace!

Thanks to everyone at *Mayfair* for all the delights you've shared with us during 2016!

Gabriel, London.

Thanks for that, Gabriel - glad to hear you've enjoyed our coffee-table offshoot! Hmm, we have thought about single girl special issues, but the economics of it are a bit tricky. Maybe it's something we could look at on digitalmagazines.xxx in the new year… - Ed.

Continuing our theme of an all-British finale to 2016, it surely wouldn't be complete without the fabulous form of Dani Maye – a model who, thanks to her incredible legs, stands head and shoulders over most of her rival! Stick a pair of heels like these on her as well, and it's almost like she's deliberately lifting those boobs of hers up to eye-level!

"What do you mean, almost? Of course it's deliberate! If you've got knockers like these, you want guys to appreciate them!"

Well have no fears on that front - we're swelling with appreciation!

OUR MAN IN PANAMERA!

Fancy honing around in a Porsche but worried about the environment? Well the two aren't mutually exclusive with this sizzling new hybrid...

At the Paris Motor Show Porsche unveiled the fourth model in the second generation Panamera line: the Panamera 4 E-Hybrid. At Porsche, the term "hybrid" is synonymous with not only sustainable mobility, but performance too – a fact proven not least by the victory of the 919 Hybrid in the 24 Hours of Le Mans race in 2015 and 2016. This philosophy is now also defining the Panamera 4 E-Hybrid.

The new Porsche plug-in hybrid always starts in purely electric mode and drives without generating any local emissions within a range of 31 miles and at a maximum speed of 86mph. And yet this Panamera too is a sportscar among the luxury saloons: The all-wheel Porsche achieves a top speed of 173mph and the hybrid sports car breaks the 62mph barrier in just 4.6 seconds. The torque is transferred to all four wheels and the standard three-chamber air suspension ensures an optimum balance between comfort and dynamism at all times.

The superlative performance is no accident: The new Panamera 4 E-Hybrid features a hybrid strategy never before seen in this segment – a strategy based on the Porsche 918 Spyder – the fastest series-produced vehicle ever to circumnavigate the Nürburgring. Its record lap time of 6:57 minutes can in part be attributed to the additional power provided by its two electric motors. As with the 918 Spyder, the power of the Panamera's electric motor (136bhp) is made available as soon as the driver touches the accelerator pedal, allowing the electric motor and petrol engine to interact in perfect harmony from the very outset.

As with the 918 Spyder, the electric motor is available to deliver additional power at all times. This, together with the performance characteristics of the new 2.9-litre V6 biturbo engine (330 bhp), generates an impressive boost scenario based on electric motor and turbochargers. In the Panamera 4 E-Hybrid, the electrical energy is also used to increase the car's top speed. At Porsche, this new type of "E-Performance" – more power, more driving fun, lower fuel consumption – is definitely seen as the performance kit of the future.

The electric motor is supplied with power via a liquid-cooled lithium-ion battery. And despite the fact that the energy content of the battery been increased from 9.4 to 14.1kWh, its weight has remained the same. The high-voltage battery takes just 3.6 hours to fully charge and the charging process can also be started using a timer via Porsche Communication Management (PCM) or the Porsche Car Connect app (for smartphones and Apple Watch).

One highlight of the second-generation Panamera is the newly designed display and control concept in the form of the standard Porsche Advanced Cockpit with touch-sensitive panels and individually configurable displays. Two seven-inch screens either side of the analogue rev counter form the interactive cockpit, and, in contrast to the other versions in the model line, the Panamera 4 E-Hybrid features a power meter tailored to hybrid operation displaying data such as the amount of electrical energy currently being used as well as that recovered through recuperation. A 12.3-inch touchscreen functions as a central PCM control and display unit. The driver can access various items of hybrid-specific information both here on the dash and in the instrument cluster. The boost assistant and hybrid assistant are both practical and informative. The boost assistant display shows the energy available for boosting, while the hybrid assistant provides various visual signals to help in regulating the electrical drive power.

> AS WITH THE 918 SPYDER, THE ELECTRIC MOTOR IS AVAILABLE TO DELIVER ADDITIONAL POWER AT ALL TIMES

The Sport Chrono Package including the mode switch integrated into the steering wheel forms part of the standard equipment on the Panamera 4 E-Hybrid. The mode switch and PCM are used to activate the various driving modes. These modes include the familiar "Sport" and "Sport Plus" modes from the other Panamera models. The hybrid-specific modes are "E-Power", "Hybrid Auto", "E-Hold" and "E-Charge".

The Panamera 4 E-Hybrid always starts in the purely electric "E-Power" mode. The "Hybrid Auto" mode is a completely new development. When this mode is selected, the Panamera changes and combines the drive sources automatically for ultimate efficiency. The "E-Hold" mode allows drivers to consciously conserve the current state of charge to enable them to switch to electric and therefore zero-emissions mode in an environmental zone at their destination, for example. In "E-Charge" mode, the battery is charged by the V6 engine; to achieve this, the petrol engine generates a higher level of power than is actually needed for driving.

The highest level of drive performance

"THE NEW PORSCHE PLUG-IN HYBRID DRIVES WITHOUT GENERATING ANY LOCAL EMISSIONS WITHIN A RANGE OF 31 MILES."

is made available in the "Sport" and "Sport Plus" modes. The V6 biturbo engine is active continuously in these modes. In "Sport" mode, the battery charge is always maintained at a minimum level to ensure there are sufficient e-boost reserve capacities when needed. The "Sport Plus" mode is all about maximum performance and allows the Panamera to reach its top speed of 173mph. This mode also recharges the battery as quickly as possible with the help of the V6 biturbo engine. Pretty snazzy, right?

The Panamera 4 E-Hybrid is available to order now and the first units will be delivered in Europe from mid-April, with all other continents (bar Antarctica) following further in the year. Joining the three previous models of the second generation Panamera - the 4 Turbo, the 4S and the 4S Diesel, the 4 E-Hybrid further enhances Porsche's position as not just the leaders of the luxury sports car sector, but also as a company in the vanguard of the burgeoning hybrid revolution.

Er, yes, but we have a strict policy of not featuring girls called Henry in *Mayfair*, so we'll stick with things as they are, shall we?

THE PAUL RAYMOND AWARDS

2016 WINNERS

When the champagne corks pop, the fun don't stop! Though we couldn't quite remember exactly, what that fun was the next morning. Dancing nuns? Luckily there were more than enough of us there to stitch together a sketchy picture of the 2016 Paul Raymond Awards.

Back for another dose of raunchy rabble rousing, British Comedian Dapper Laughs and his 2016 co-host Jasmine Jae, fanned the flames of the crowded Café De Paris, with innuendo and playful skulduggery. There were even some awards given out, once Dapper had managed to put Jasmine down, including Miss Jae scooping Female Performer of the Year...again! But who were the other lucky ladies of the night that have been turning your balls into steamed buns for the last 12 months?

The polls were tough going, with Cara Brett reigning victorious in the Mayfair Girl of the Year category, Amber Jayne taking the Men Only crown, and Stella Cox tottering off with Paul Raymond Girl of the Year for the second time in a row, the saucy mare!

As you can imagine after all the nominees had been announced there was nothing left to do but dance, as DJ Luck and MC Neat, GIGGS and DJ Ironik got us tipsily busting moves that would shock our grandparents. Though, VIP guests Tinchy Stryder, Big Narstie and Lethal Bizzle, kept their cool and their dignity, which is more than can be said for us.

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey, KT8 2TU.

A man goes to a tattoo artist and says: "I'd like you to tattoo a fifty pound note on my dick."

"Why the hell would you want a fifty pound note tattooed on your old fella?"

asks the tattoo artist.

"Three reasons," the man replies. "One, I like to watch my money grow. Two, I like to play with my money. And three, next time my wife wants to blow fifty quid she won't have to leave the house!"

M

A bloke picks up a girl in a bar and takes her home. "Do you have a foot odour problem?" he asks. "No, I bloody well do not," she says, annoyed by his cheek. "Well it must be your pussy then," he says.

A guy walks into a pub and sees a sign hanging over the bar which says

'Cheese Sandwich: £1.50
Chicken Sandwich: £2.50
Hand Job: £10.00'

He walks up to the bar and beckons to one of the three gorgeous blondes serving drinks to a bunch of men. "Yes?" she says, giving him a knowing smile. "Can I help you?" "I was wondering," whispers the man. "Are you the one who gives the hand jobs?" "Yes," she purrs. "That's me." "Well wash your hands for God's sake. I want a cheese sandwich."

M

A little boy wakes up in the night and hears a horrible banging coming from his parents' bedroom. He is scared and wanders into his parents' room only to catch his mum and dad shagging.

"Mummy," he says. "Why are you bouncing up and down on Daddy?" Flustered, his mum replies. "Er... well... ah... well... I'm bouncing on Daddy's stomach because he's fat and that squishes his belly down and makes him thin again."

"That won't work," the boy replies. "The lady next door comes over every day and blows him back up again."

M

A woman is eating a burger and starts to choke. It looks serious. People are running around like mad, frantically trying to work out what to do. Two guys sitting in the corner quickly run in front of the choking lady. One strips out of his overalls and bends over. His friend proceeds to lick the first guy's arse. The woman in trouble takes one look at the spectacle and throws up, forcing the lodged food from her throat.

After making sure the lady is OK, the two fellas sit down again. One turns to the other and says, "Wow! That hind-lick manoeuvre really works!"

M

A bus stops and two Italians get on. They sit down and start talking. The lady sitting behind can't help but listen in and can't believe what she hears.

"Emma come first. Den I come. Two asses, dey come together," he says. "I come again. Two asses, dey come together again. I come again and pee twice. Then I come once-a more." "You foul-mouthed swine," shouts the outraged woman. "How dare you discuss your filthy sex life in public?"

"Wata you on about lady?" says the man. "Imma just tellun my friend howa ta spella Mississippi."

M

John wakes up from a deep sleep and is feeling well horny. He nudges his wife awake and asks her if she's up for it.

"I'm seeing the gynaecologist tomorrow," she replies. "I'm not letting you fuck me beforehand, no way."

John is pissed off, but rolls over and tries to go to sleep. A couple of minutes later he turns over again and gives his wife a prod to get her attention. "You're not going to the dentist's tomorrow, though, are you?"

M

Honey and Cherry are standing on the street corner when a car pulls up. Honey moves over and after a couple of seconds turns back to her mate.

"I'll be back in half an hour," she says and gets into the car. The car pulls away and Cherry waits. After half an hour there's no sign of her friend. An hour goes by. Still no sign. After two full hours have passed without any sign of Honey, Cherry is getting really worried. After two and a half hours she finally sees Honey walking towards her.

"Where have you been?" she asks. "I've been worried sick! What happened?"

"Well, when we got to the room I asked him what he wanted and he said he wanted everything," she answers. "I told him that 'everything' would cost him a hundred quid. The bastard told me he only had 20 quid. I laughed and told him that twenty notes would only get him a hand job."

"Yeah," says Cherry. "So then what happened?"

"He said OK and dropped his pants. He had the biggest cock I've ever seen, 11 inches at least!"

"Bloody hell. What did you do?" Cherry asks.

"What do you think I did?" she laughs. "I lent him eighty quid."

Q: Why can't American blondes dial 911?
A: They can't find the eleven.

One of the (admittedly, many) great things about working at *Mayfair* is watching how a model develops over time. It was about a year and a half ago we first featured Bexi, and while it was pretty clear from the start she was something special, just look at the confidence with which she's striking these poses here! It's almost like she demands that we worship her, isn't it? And do you know what, with looks like that, we don't think it's an unreasonable demand, either.

Scene from MAYFAIR

Has your DVD player been feeling a bit glum lately? Then perhaps it's time you gave it a treat - and things don't get much treatier than this month's selection of new and vintage releases!

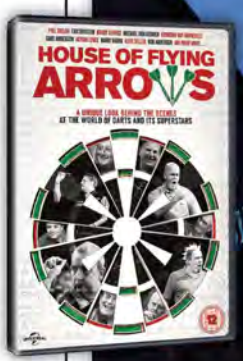
THE LION IN WINTER

The late 60s was something of a boom time for lush looking epics which pitted huge stars (frequently Richard Burton and Peter O'Toole) against a backdrop of castles and cloaks, and this is one of the finest. O'Toole plays Henry II, whose son, the potential Henry III, was so eager to take over from his old man he got embroiled in a couple of rebellions, both of which failed, the latter costing him his life. Well, that leaves O'Toole on the lookout for a new heir from his three remaining sons. Sounds all a bit, well, cliquey, doesn't it, but thanks to the high calibre of the cast and crew, this stands out as a pretty spectacular slice of cinema history. Leading the field is the great Katherine Hepburn, who plays Henry's wife Eleanor of Aquitaine, while comparative youngsters like Anthony Hopkins and Timothy Dalton put in early appearances, too. It also boasts cracking cinematography and a lush John Barry score, and all remastered to look better than ever before.

THE FALL SERIES 3

Thanks in large part to his chilling turn in the first series of this classy little cops and seriel-killer number Jamie Dornan's become rather a hot ticket – we got to see 50 shades of his Christian Grey in the film adaptation of the best selling e-book book in the history of everything, and he's also starred in WWII thriller Anthropoid and a few other big-screeners in the pipeline, so it's good to see he hasn't grown too big for his boots to finish off The Fall, alongside his old sparring partner Gillian Anderson as DI Stella Gibson. Anyone who saw series 2 might wonder what might happen third time out, what with Dornan's ladykiller Paul Spector (a nod to Phil, there?) shot to bits at the end of the second series, but the murderer's not one to go quietly. It's grim, classy stuff, with the two stars on top form once again. And like all the best shows, they knew how to bow out before letting things go stale…

HOUSE OF FLYING ARROWS



Sounds like one of those mega-budget offerings from China, doesn't it? But no – there are no stupendously choreographed fight scenes or scrumptious court settings – this is an affectionate look at the place darts holds in the nation's heart, and captures wonderfully the carnival atmosphere that invariably arises when you've got a popular spectator sport in which basically none of the spectators can actually see what's going on. So instead they make their own, booze-fuelled entertainment, with fancy dress to the fore as the good-natured crowds whoop and glug their way through interminable sets and legs. With plenty of archive footage telling the story of the game from its lowly beginnings to its near global fanbase and some interesting talking heads cropping up among the darts stars (Alastair Cook, anyone?) this is a lot more fun that watching the Ed land another double 16.

PRIYA

Age: 27 **Vital Stats:** 32G-30-32 5'7"
Photographer: BB Media

It's not really our strong suit, but it looks like we might have to keep on our toes a bit from now on, what with all these twins suddenly appearing on our books! Melissa and Carla are the latest additions, but it was Priya and her identical twin Preeti who first set the cat amongst the pigeons back in 51.05. Perhaps we could set up some sort of mixed doubles shoot, in which the twins pair off and get to know each other? Then again, it's possible to have too much of a good thing – frankly Priya here on her own'll do me, thanks very much!

QUEST

★★★★★

Editor's PICK

CAST: Jada Stevens, Aria Alexander, Kleio Valentein, Brett Rossi, Katrina Jade.

Typical – you wait 30 years for them to make a half-decent Dungeons & Dragons-stylee spuff flick, and then when they do finally get round to it you've completely forgotten what was so great about the whole thing in the first place. Perhaps there's another younger generation out there now getting their jollies by rolling dice and trying to defeat evil goblins and the like – stranger things shave happened, after all. In any event, while Digital Playground's *Quest* might not be the most timely release of the decade, there's still plenty of fun to be had watching its eye-pleasing starlets throw asunder their funny costumes and get to grips with their co-stars' cocks.

Jada has first roll of the dice, and finds herself battling a beefy Derrick Pierce, but thankfully they soon put their differences behind them and fuck the bejayses out of each other. And so it continues, the girls' game of D&D acting as a framing device for all sorts of daftly-caped capers. As well as arousing, it's actually pretty funny in a corny sort of way, so five out of five for effort!

★★★★☆

Wicked Pictures

IT'S COMPLICATED

CAST: Gracie Glam, Brooke, Olivia Austin, Yhivi.

Oh God, is it? It's hard enough to get your head around even the daftest of porno plots, what with all that tugging off getting in the way, and as often as not it seems like even the director's not really sure what's going on, so a spuff flick that brazenly admits it's complicated is surely going to go down like a cup of cold sick. Then again, even a lame brain like me wasn't too baffled by the first scene, in which Ryan Driller is interrupted half way through a fry-up by Gracie Glam, who thoughtfully offers herself up for a dicking on the dining table. Hmm, there's got to be more to this than meets the eye, hasn't there – it all seems pretty basic to me...

Things are slightly complicated by the appearance of a nosy neighbour, but for the most part things continue on their way, with a selection of eye-pleasing boy-girl pairings. Interestingly-named Yhiva's bridal gown boning is the highlight for me, but there's nothing to balk at throughout. Not sure what it was actually all about, mind...

I CONFESS FILES 3

CAST: Karlie Simon, Chessie Kay, Victoria Summers, Satine Spark, Lexi Lowe.

Lordy! I'd heard that churches will do more or less anything these days to get a few pennies ringing in the coffers, but I hadn't suspected they'd actually hire out their facilities for a group of smutmongers to make a spuff flick in there – and not just one, but three, if the title of this film's anything to go by. Blimey, what's wrong with the odd jumble sale, or charging 10p to chuck a wet sponge at the vicar's wife's T-shirt?

Victoria Summers is the first penitent to make her way into the confessional, and she's got quite a bit to get off her (fulsome) chest. Turns out she's been an alcoholic prostitute (phwoar!), and the priest isn't too impressed. By way of a few Hail Mary's he removes the confessional grill and shoves his knob through for some, ahem, glory-holy action. Well, I'm not sure this exactly conforms to strict ecumenical guidelines, but they don't let that stop them, and he's soon balling her doggy-style, the dirty bugger.

★★★☆☆

And that, pretty much, is the entire plot, with Satine, Lexie, Karlie and co taking Victoria's place. With an all British cast they all look the part, and there are certainly a few highlights along the way (the pop to Lexi's hairless pussy, say), but it's all rather samey. Definitely one for the (extremely) lapsed catholics only, I'd say.

So that's pretty well it for 2016 – quite a year to remember, not least for all the celebrities who sadly popped their clogs. Still, we'd prefer to end the year on a high note – and they don't get much higher than another British newbie treating us to an eyeful of exactly what she's got! Valerie's curvy charms and perfect rump should make her a firm favourite with *Mayfair* readers, so it's onwards and upwards for 2017, eh? Happy New Year to all our readers!

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I'd had a bit of a snog with a bloke called Rob at a party a few months back, but he already had a girlfriend (who was also at that party), so nothing more came of it.

I didn't hear anything about Rob again until just recently, when a girlfriend of mine phoned me up and said that he was going to be at a party we were both going to that evening. And what was more interesting was the fact that she'd heard Rob had split with his girlfriend and was single again. A sudden panic shot through me and I ran to my wardrobe in a desperate search for the right thing to make an impression.

I agonised for ages about what to wear, but in the end I chose a fairly short skirt to accentuate my legs, inch and a half heels to make my calves look sexier and a tight top over a Wonderbra to push out my petite 32C tits. As I got dressed my mind began racing with dirty thoughts. It hadn't happened for me the last time I'd seen Rob, but I was damned sure it was going to tonight. Throwing caution to the wind I decided to go commando. I discarded my lacy G-string and for an added bit of spice pulled on my sheerest pair of white hold-ups.

When Kate got round to my flat she immediately knew what my game was, teasing me mercilessly for daring to dress up, but still saying that I looked sexy in the make-up that accentuated the cheekbones beneath my short, blonde bob of hair. We set out on our manhunt fortified by a few cheeky Bacardis and got to the party fashionably late.

I caught sight of Rob almost the minute we got to there and he was just as fuckable as I'd remembered him! I crossed over to him nervously and he was absolutely charming, saying how good I looked and how much he had missed me. That was it, he was as good as bedded! But I needed to get a few more vodkas down him first, so we flirted and chatted as the party started to hot up.

At about midnight I decided to up the ante, saying we should chat somewhere a little more private. We flirted outrageously as we disappeared upstairs to the hosts' spare room. I sat on the bed and provocatively crossed my legs, knowingly revealing my upper thigh and the lacy tops of my hold-ups. Rob locked the door and joined me, kissing me gently on the lips before slipping his tongue into my mouth.

His hands started on my boobs through my clothes, massaging and squeezing my nipples through the cotton. I took a sharp intake of breath as he stiffened them by pinching and I willingly responded to his attempts at removing my top. My hand 'accidentally' dropped onto the bulge of his crotch and I started squeezing softly as he moaned his approval. With my firm tanned tits now fully exposed, Rob stopped to admire the sight before roughly lapping and biting at them in a frenzy.

Calming him down, I made him lie back on the bed while I undid my skirt to reveal my neatly-shaven pussy. Not allowing him to touch, I released his belt and took his jeans off. I fingered the outline of his stiff dick through his boxers before delving in and removing his meat. What a cock he had! It was a good eight inches long and as thick as an aerosol can. The tip glistened with pre-come and tasted lovely and warm as I took it in my mouth.

> MY JAW FELT JAMMED OPEN AS I DESPERATELY TRIED TO DEEP THROAT HIS THROBBING MEMBER.

I suddenly felt a finger probing my shaven snatch that sent shivers through my body. My jaw felt jammed open as I desperately tried to deep throat his throbbing member when suddenly I found myself on my back with my legs parted. Rob had snapped and just wanted to get down to it. His cock was throbbing, the thick veins of his shaft bulging as I willingly opened my wet snatch, then pulled him onto me with my stockinged legs.

I felt Rob's bell-end nudging my entrance, but he was a real gent, massaging my clit with his knob to give me some pleasure before he indulged himself. I was in pure ecstasy and wet as hell as I felt the first thrust of his manhood. It slipped down deep inside me and kept right on going all the way to the hilt. I squealed. I couldn't take any more – or so I thought! I raised one of my legs over Rob's shoulder and his slow, rhythmic fucking started. I reached down to massage his bollocks while flicking my clit. Neither of us was going to last long. Rob's balls were already tight and as he worked himself up and pounded my insides mercilessly I felt the first rearing of my

orgasm.

I looked into Rob's eyes as the first waves of my orgasm shot through me. I couldn't stop my legs from shaking as he forcefully pounded his full length into me. I let out a long cry that even drowned out his moaning, then lifted my arse up in a spasm that propelled me even further onto his cock. I was in ecstasy as I felt his red hot come exploding into me. Every shot sent waves of intense pleasure shooting into me and I grabbed Rob's arse cheeks to help keep his pumping going.

As Rob finally subsided in a sweating heap I got that last horny feeling as his cock slid out of me with its inevitable dribble of semen. Without thinking I went straight down on him, lapping the last drops up before lying back and giving Rob the show of his life as I fingered my clit whilst sticking a finger up my tight anus. He was soon hard again, so with another belting orgasm on the way I let him kneel over my face and sucked him off whiled frigging my way to heaven at the same time.

When we joined the party again Kate gave me a knowing glance before coming over and asking how it had gone. I tried to lie and say that nothing had happened, but I couldn't hide my flushed cheeks and the truth soon came out.

Rob's my boyfriend now and the sex is even better. But that night wasn't bad for starters!

"EVERY SHOT SENT WAVES OF INTENSE PLEASURE SHOOTING INTO ME AND I GRABBED ROB'S ARSE TO HELP KEEP HIS PUMPING GOING."

You get some real bonuses living in Cornwall. The views, the peace and quiet and the people who have a habit of visiting you so that they can have a free holiday! But believe me, when a visitor is as sexy as my old friend Angie you welcome them with open arms!

Angie had come to visit – as she usually does twice a year – when one blistering summer's day we went for a walk along a particularly beautiful cliff path. After a couple of miles we were all melting from the heat. My boyfriend Keith suggested that we cooled off and we moved from the path to the beach below. We just slipped our walking boots off and went straight into the sea. Because we were all wearing shorts and vests it didn't seem to matter. After mucking about for a little while I'd had enough and said I was going off to have a pee. They both laughed, but said no more. The truth of the matter was that watching Angie bounce around in the surf, her long black hair curling around her tanned shoulders and her full breasts threatening to burst free of her soaking vest, had made me feel in need of a little personal attention.

I climbed back up to the path and found a small group of trees far enough away from the walkway to be out of sight. I wasted no time slipping my soaking shorts and panties down. I kept my vest on, but pushed it up to my neck so that I could get my shaking hands to my breasts. I groaned, pinching my nipples and squeezing the flesh. I let one of my hands slide down my stomach and through my thin thatch of public hair. My fingertip found the bud of my clitoris and I had to bite down on a cry of pleasure. I stumbled back until I was leaning against a small tree. I let my legs slide forward, opening them wide so that I could get at my soaking pussy. I pushed back against the tree as my hand ran down between my plump lips, my fingers quickly finding the opening. I knew that it wouldn't be long before I climaxed and raised my fingers to my lips to taste my sticky juice.

"Are you going to keep all that juice for yourself?" My eyes snapped open and I gasped when I saw Angie standing, half-bent, in the small clearing. I was so stunned to see her that I couldn't move, my guilty hand hovering near my hot lips. She moved further into the clearing, straightening as she approached. I swallowed, unsure of what to say. I decided to try and laugh it off and forced a chuckle to escape my lips. That laugh turned to a small cry as Angie suddenly sank to her knees between my legs and buried her face in my pussy. I cried out again as her teeth nibbled at my hard clitoris. My hands instinctively stroked the back of her head as I pushed my cunt towards her beautiful mouth. She pulled back slightly. "You taste lovely," she whispered. "I want you to come in my mouth."

My whole body shivered as her tongue probed between my swollen lips and slid deep into my pussy, lapping at the juice that was now gushing from my throbbing cunt.

"I'm going to come," I groaned, grinding my pussy against Angie's mouth. In response she delved her tongue deeper and then

pulled back to lash at my clitoris, pushing the hood back with her teeth. I gasped loudly and bucked my hips as I felt juice gushing into her mouth. In the depths of my pleasure I could feel Angie licking at every drop, desperate not to spill a drip.

I thought that Angie had done with me and I was ready to repay the compliment, but she slowly shook her head, her eyes smiling devilishly as she forced me to turn round. "Bend forwards," she ordered. I did as I was told. "Finger me. Please," I gasped.

"I can do better than that," Angie half-laughed and pulled away. I kept my eyes closed, waiting for whatever Angie had planned. I felt my vagina being spread wide by a shaft of meaty goodness. Crying out with surprise I looked over my shoulder to see Keith guiding his cock into me. He sank the remainder of his length into me and held himself there as Angie slipped between my legs. Then Keith began to thrust as Angie leant up to suck at my clitoris. She alternated her sucking, moving between my hot clit and Keith's balls. I lowered my head and managed to watch as Angie sucked one of his balls

deep into her mouth. She caught my eye and smiled as she released the sack and then clamped her teeth around my clitoris. She nibbled firmly and although I gasped in pain, very soon the pleasure was incredible and I bucked back against Keith. He rode me hard, thumping his cock into me and I came over and over. Angie drank the juices as they squirted from me, but she had still more delights planned for me. Angie guided entire frame and I almost collapsed under the sheer intensity. Straight away Keith pulled free of me to shoot his come into Angie's eager mouth.

Angie licked him clean while I recovered from the double fucking. Then she turned to us both and the look in her eyes said that after everything she had done she deserved the fucking of her life. And that was exactly what she got.

look for it?"

It may have been the heat, but I was getting horny already, just from one look at him – and I was pretty sure that the feeling's mutual. He sauntered in and leaned the golf club he was holding up against the wall, following me as I lead the way towards the back. I paused in the kitchen and turned to face him.

"I don't suppose you fancy a coffee?" I

Keith back and he stood obediently as she spread my buttocks. I gasped as Angie squirted a mouthful of my juice between my buttocks and eased the sticky fluid around my anus.

"She wants you," Angie announced and slowly guided Keith forward. "Fuck her good while I suck her clit." Keith's penis nudged my lubricated opening and I held my breath. Angie returned her lips to my clit as Keith pushed into my anus. I gasped as Keith forced his way past the initial resistance and then I was filled with his gorgeous cock. He found his rhythm and quickly built to a thumping fucking that had me screaming for all I was worth. Neither of them seemed to care how much noise I was making, perhaps hoping that some other passers-by would join them. Angie certainly seemed happy to make me beg for mercy as she slid three of her slender fingers into my gaping vagina and thrust them into me as Keith thundered in my arse.

My final climax, when it came, shook my

I've been single and very ready to mingle for two years now, since splitting up with my long-term boyfriend, so needless to say I take my sex anywhere I can get it! Yes, I know that sounds slutty, but I'm just being honest! I'm a highly sexed woman with desires and if it's offered to me on plate, who am I to turn it down?

Take my last random encounter, for example. It was over the summer (during that run of nice weather we had in July!) and was baking hot so, as I was at home alone in my flat, I was wearing a short, strappy dress and not a lot else.

Now, my garden backs onto the local golf course, and I often watch the golfers on the grass and fantasise about copping off with a stranger from the links. In fact, I frig myself off to this idea so much that my clit gets swollen and sore for cock!

Anyway, that particular day I was just doing a spot of cleaning, when there was a knock at the door. When I answered it, I surprised to see a young-ish guy stood there, dressed in golfing gear.

"Sorry, but I appear to have lost my ball in your garden," he said, sheepishly.

"Oh, really?" I smiled, opening the door wider, "Well, do you want to come in and

asked, "Or… Something else?"

He grinned, catching on instantly. "Something else…?" he asked, eyebrow raised.

I moved closer to him, my breath becoming shallower as I felt our bodies

> FINGER-FUCKING MYSELF, I KEPT MY EYES ON HIM; RELISHING THE POWER I HAD OVER THIS COMPLETE STRANGER.

touch and we kissed. Softly at first, but suddenly exploding with passion, our kissing becoming harder and more frantic, clawing at each other's bodies through our clothes. I felt his hands travelling up my bare legs until they reached my naked buttocks. I gasped and inched my own hand over the hard bulge in his trousers, groping the outline of his firm prick. He was good size and I suddenly ached to feel his length up inside me.

As the thought crossed my mind, he lifted me up under my arms and sat me

on the kitchen counter, his dick now the perfect height to shag me. Our minds were obviously in sync as he unzipped his trousers and lopped his beautiful erection out.

While he was momentarily distracted, I began rubbing my glistening pussy. He caught sight of what I was doing and stood back slightly, to get a better view. "Go on, put a finger in," he urged. I opened my legs wider, exposing my wet hole, as I slowly pushed a single digit deep inside myself, enjoying the expression on his face. Finger-fucking myself, I kept my eyes on his; relishing the power I had over this complete stranger.

After a minute or two, he could no longer resist, and came in for another kiss. We snogged passionately and, as we did so, he pulled the straps of my dress down to reveal my pert boobs. He moved his face down to suck on my nipples, making me gasp as he took each nub in his mouth in turn, nibbling and licking them to full stiffness.

As he paid attention to my nips, so his hand was sliding up my smooth inner thigh. I thought he'd pause at the top but he didn't: instead, immediately finding my fanny and pushing a finger between the wet folds of my vagina lips.

He found a rhythm quickly and managed to hit my g-spot, by hooking his finger slightly as he pumped it in and out of me. Clever little trick! I found myself wailing as he brought me off, and as I made more and more noise, I noticed that he couldn't resist wanking himself, too.

Then, he suddenly stopped. I thought he'd replace his finger with his dick, but he had other ideas! Instead, he bent down and began kissing my pussy. Starting on my small mound of pubes, he worked his way down until I could feel his warm breath on my clit. I nearly shrieked when he started tonguing my nub hard, building up a regular motion, it was so good! It didn't take me long to come, I was so turned on by my sexy stranger and as waves of pleasure washed over me, my musky juices gushed from my cunt and soaked his face. This seemed to excite him and he virtually sucked my vag dry as I came down from the ceiling!

He worked his way back up my body with his tongue until he reached my mouth and snogged my face off. The taste of my pussy juice excited me and I grabbed his cock, which was now only inches from my snatch, and began stroking him – slowly at first, but building up my rhythm until I was wanking him vigorously. I used both fists, corkscrewing them as I pulled them from the base to the tip of his rock-hard member. Then, he suddenly put his hand on my arm for me to stop and uttered the words, "Too close!"

I pulled my hands away as he gripped the end of his prick, obviously willing himself not to come. I thought he'd be a couple of minutes – I have experienced this in the past – but he surprised me only a few seconds later by pulling my thighs further apart, and pushing his meaty length inside my sopping, gaping snatch I let out a huge gasp and clung onto his back as he pushed himself in right up to the hilt, his balls slapping against me audibly as I wrapped my legs around his waist.

He wasted no time, quickly speeding up until he was thrusting in and out energetically, groaning loudly as he pumped me over and over. It's not often I get fucked as hard, as animalistic as that, and I was absolutely loving it, urging him to go harder and faster, until he was going at it like an express train, sweat beading on his brow. Finally, with a massive grunt and one final thrust, he came, his cock pulsating as his spunk spewed from his bell-end.

As we caught our breath and came down from our ecstasy, we pulled apart and tidied ourselves up. Then as strange as it was, we went into the garden, found his ball and he left with a "thanks", as though nothing at all had happened! If it hadn't been for the sticky mess dripping down my legs, I'd have thought I'd daydreamed it!

"I LET OUT A HUGE GASP AND CLUNG ONTO HIS BACK AS HE PUSHED HIMSELF IN RIGHT UP TO THE HILT."

Madeleine

PHOTOGRAPHED BY ED ALEXANDER

MAYFAIR
Classic

Here's a tip. If you are ever stuck in London, phone for a cab. And if you are very lucky, the driver might be 22-year-old Madeleine Ford. For during the week, Madeleine works for a mini cab firm in the city taking both passengers and parcels anywhere requested. And the 36-24-36 stunner has certainly had some odd requests! 'I've taken parts for oil rigs up to Aberdeen,' she told us. 'And I'm constantly being asked by tourists to take them somewhere they can have a good time. When I'm feeling really mischievous I leave them at the Lyons Corner House or somewhere like that. God knows what happens then!' But she is normally well behaved. 'I have the biggest tips in the office, 'she laughed.

Seeing so much of London during the week, perhaps it is not surprising that charming Madeleine likes to leave it whenever she can. In fact, she has also started renting a flat on the seafront at Hastings. 'It sounds very grand but in fact it is a lot cheaper than

living in town – and you get the lovely sea air as well.' So Madeleine can often be spotted walking along the front by the *White Rock*, happy to be out of her cab for a while. But she doesn't spend much of her time alone.

MAYFAIR Classic

This month we're gazing way back through the mists of time – a full 33 years back, in fact, because this set of Madeleine appeared in volume 18 issue 6. The Cold War was at its height, and a month or two the great Stanislav Petrov averted a nuclear holocaust by ignoring the protocol than was telling him to launch an attack. Phew! Not that we knew about it at the time, mind – we were too busy gazing at Medeleine and hoping we'd get a lift in her cab!

Whenever she gets a Friday evening off, she makes for a club in Hastings called *Scallywags*. 'They have theme evenings there,' she said. 'Friday night is "Silly Fun" night.' And that means that anything goes. 'They play party games and daft music. I really love to let my hair down when I'm there; But sometimes Madeleine doesn't wait to get to the club to start her own brand of silly fun. On several occasions pubs in the town centre have found soda siphons missing, and some of the older, more staid inhabitants have to hide in their houses to avoid an unexpected squirt. 'I've always had this zany sense of humour. If I have an ambition it would be to appear with Kenny Everett,' she claimed. 'He's my hero. If I met someone like him, then I'd get married tomorrow.'

Why it seems like only last week I was sitting here ruminating on the end of volume 50, and almost in the blinking of an eye volume 51's just bleeding well finished as well! I guess it's just a symptom of getting old, but if time keeps speeding up this much, I'd better start thinking about what I'm going to write at the end of volume 52! Ahem, anyway, while the volume number might change, our mission to bring you the sexiest babes in the land won't, so we'll see you all on the other side!
